B. America has a proportional electoral system
C. Europeans tend to have a winner-take-all electoral system
D. US federalism promotes the decentralization of parties
4. Which of the following statements about the nomination process in the U.S. is true?
A. The nomination process in the U.S. is more of an organizational effort than in Europe.
B. Parties play a larger role today than at the turn of the century.
C. Parties play a minor role compared to Europe.
D. Parties play a larger role in the U.S. than in Europe.
5. Thomas Paine's Common Sense _____.
A. blamed the Parliament for the colonies' problems, but maintained the colonies should be loyal to the king
B. blamed the king for the colonies' problems and urged Americans to declare their independence
C. insisted that the British allow the colonies to elect their own representatives to Parliament
D. urged the overthrow of the British king and the establishment of democracy in England

6. With regard to Industrialization, Britain differed from countries of the Continent in that _____.
A. Britain relied on an agrarian economy far larger than the Continent
B. Britain lacked the capital of the other countries
C. railroads first made their impact on the Continent
D. Britain practiced free trade and the countries of the Continent used protective tariffs
7. The intellectual father of romanticism was _____.
A. Rousseau
B. Fourier
C. Descartes
D. Voltaire
8. The term "lost generation" was originally coined to apply to _____.
A. American intellectuals and literati who gathered in Paris in the postwar years.
B. students and followers of Sigmund Freud
C. Bauhaus designers who valued the cold impersonal style of the era
D. twentieth-century painters, sculptors and musicians
9. Winston Churchill stood out among his colleagues in the Conservative Party for being firmly against _____.
A. implementing the gold standard
B. the blockade against the Spanish Republic during the Civil War
C. appeasement with the Germans
D. the formation of a coalition government with the Labour Party
10. All of the following were root causes of the Great Depression EXCEPT _____.
A. falling crop prices for farmers
B. overly generous wage increases in US factories
C. a growing imbalance between rising productivity and purchasing power
D. tax reductions that led to oversaving

Part II True, False or Not Given (20 points)

Read the two passages below, and decide whether the statements that follow each passage are TRUE, FALSE or NOT GIVEN. Write the answers on your ANSWER SHEET (2 points each).

Passage One

A major issue in expatriate management research has been the apparent lack of interest in investigating whether domestic findings may be generalizable to the expatriate context. Indeed, the most valid predictors of domestic job performance, being the work sample test, the cognitive ability test, and the structured interview, have seldom or never been investigated in relation to expatriate job performance. It appears that for a long time,
